Awards & Honors

Daedalian JROTC Achievement Award May 2026

- Awarded for exceptional leadership, citizenship, patriotism, and academic excellence; selected among the top 10% of JROTC cadets and top 20% of the school class based on demonstrated service and military leadership potential

Relevant Experience & Leadership Qualities

ThinkNeuro, LLC Remote

Software Engineering Research Intern June 2026 - Present

- Contributed to software engineering focused projects during a 10-week remote internship, applying computational problem solving and technical skills
- Utilized Git for robust version control, actively participating in branching strategies, pull requests, and code reviews to maintain code quality and ensure seamless team integration in a production environment

Mission Bit – Intro To AI San Francisco, CA

AI & Machine Learning Student June 2026 - Present

- Explored foundational AI concepts in a 30+ hour project based program, applying beginner machine learning and problem solving techniques
- Developed 2–3 projects while learning about AI ethics, data analysis, and practical applications of technology
- Collaborated with 10+ peers to strengthen technical skills via coding exercises and team discussions

DataBridge Initiative San Francisco, CA

Founder & Executive Director February 2026 - Present

- Founded a student-led nonprofit initiative and designed a 10 week Python & Data Science curriculum targeting 50+ students annually
- Led a 4-member executive board and coordinated outreach with SFUSD schools to expand CS accessibility
- Designed educational programming focused on coding and data science by creating beginner friendly lessons in Python and data analysis to help students build computational thinking skills via hands-on projects

Junior Reserves Officer Training Corps (JROTC) San Francisco, CA

Platoon Leader August 2025 - June 2026

- Led and supervised a platoon of 36 cadets, ensuring accountability and daily performance through monthly formations and uniform inspections, maintaining 94–100% overall platoon effectiveness
- Trained and mentored 18+ LET 1 cadets, improving marching and classroom engagement via structured weekly lecturing, contributing to a 25% improvement in platoon accuracy
- Delivered JROTC core curriculum, including Leadership, Resume Building, and Land Navigation
- Coordinated information and class operations with a team of 5 squad leaders and the Platoon Sergeant
